

# Directions for Registering for Sports

Note: Parents often do not complete the paperwork completely/properly. Please carefully follow all directions below and see Common Mistakes section. Students cannot participate until all parts of registration process are completed and approved by the Athletic Director.

## First Sport of School Year:

- 1. Complete [PIAA forms Sections 5&6](#). Section 5 is completed by Parent and signed and dated by BOTH the Parent AND Student. Section 6 is completed by the Physician and dated on or after June 1st of the school year in which the student will participate, though the actual physical can be completed prior to this date. The complete student physical is NOT needed, only PIAA forms Sections 5&6.
- 2. Register for the appropriate sport and upload PIAA forms Section 5&6 to [Family ID](#). You can scan the forms and upload. As an alternative, you can take a picture of the forms with your phone and upload the images. If uploading is not possible, contact the Athletic Director at [khall@cbsd.org](mailto:khall@cbsd.org).

**Common Mistakes:** Paperwork is missing signatures (3 signatures needed- 1 student, 1 parent, 1 physician). Signatures not dated (all 3 signatures need dates). Parents upload wrong forms or the same form twice. Please do **NOT** upload physicals from doctor - ONLY upload [PIAA forms Sections 5&6](#). Do **NOT** give paperwork to coaches - ALL paperwork goes into Family ID and is approved by Athletic Director.

## Second or Third Sport of School Year:

- 1. Complete [PIAA form Section 7](#). Section 7 is completed by Parent and signed and dated by BOTH the Parent AND Student. If you check Yes on any boxes on PIAA form Section 7, [PIAA form Section 8](#) is required and must be signed by Physician and dated.
- 2. Register for the appropriate sport and upload the PIAA forms to [Family ID](#). You can scan the forms and upload. As an alternative, you can take a picture of the forms with your phone and upload the images. If uploading is not possible, contact the Athletic Director at [khall@cbsd.org](mailto:khall@cbsd.org).
